

Kingsley Uzokwe

Software Developer | Full-Stack Engineer | SQL-Developer | AWS-Cloud-Computing

PROFESSIONAL SUMMARY

Passionate full-stack developer with experience designing, building, and deploying scalable web applications. Proficient in JavaScript, React, Python, and SQL. Skilled in problem-solving, agile teamwork, and modern web development practices.

CORE SKILLS

EXPERIENCE

INFOFIT SOFTWARE SOLUTIONS – 6-MONTH
INTENSIVE TRAINING PROGRAM

- ❖ Developed and deployed a full-stack web application (HTML/CSS + FASTAPI)
- ❖ Designed SQL database schemas and implemented queries
- ❖ Collaborated in Agile Scrum team
- ❖ Strengthened version control and debugging skills using Git

PROJECTS

Kinuzok AI (Coming Soon)

Kinuzok AI is an upcoming artificial intelligence platform designed to bring smarter, faster, and more innovative solutions to everyday challenges. Currently in development, it aims to combine advanced AI technology with user-friendly tools, making it easy for individuals and businesses to explore the future of intelligence. Stay tuned—Kinuzok AI is coming soon to transform the way you work, learn, and create.

Smart Tech Coding

Smart Tech Coding is an online learning platform where people of all levels can learn coding, technology, and digital skills. It provides easy-to-follow lessons, tutorials, and resources designed to help beginners start their journey and support advanced learners in improving their expertise. Whether you want to build websites, create apps, or explore the latest in tech, Smart Tech Coding makes learning accessible anytime, anywhere.

EDUCATION & CERTIFICATIONS

- ❖ Intensive Training, Infofit Software Solutions (2023)
- ❖ Continuous Self-Learning (Open-source contributions,)

Key Achievements

- ❖ Successfully built and deployed a **full-stack web application** using HTML/CSS, Java, JavaScript and Fastapi.
- ❖ Designed and implemented **efficient SQL database schemas** to support scalable applications.
- ❖ Developed a **task management backend server** with Python and Fast-API.
- ❖ Collaborated in **Agile/Scrum teams**, contributing to planning, coding, and reviews.
- ❖ Strengthened **version control workflows** using Git and Git-Hub.
- ❖ Led debugging sessions that reduced critical errors and improved performance.
- ❖ Contributed to **open-source projects** and personal learning initiatives.
- ❖ Demonstrated ability to learn and apply **new technologies quickly**, including AI/ML for upcoming projects.
